

Earl Harris Karate Academy Largest After School Martial Arts Program Is Now Available In Brandon!!

Within weeks the changes in your child will become obvious. They will be able to say no to unhealthy peer pressure. Their confidence level will rise. They will start being able to focus more clearly on their homework and they will begin to feel better about themselves.

Our Instructors are consisting of World Class Martial Artists, and Professional EHKA workers and all our staff are constantly educating themselves to become even greater martial arts and leaders.

After your child's snack time and homework time is given, they will do Martial Arts for the rest of their stay with us that day. They are not sent to another room for social time or games.

We want them to spend every possible moment that they can in class learning and developing their skills.

In 2010/2011 we asked the parents of our afterschool program what they had seen as improvement since their child had been in our program, 100% of the parents saw improvement in grades, behavior and overall fitness.

Through hard work and dedication to developing our students, we have built the one of the largest and most successful After School Martial Arts Program in the state of Florida.

Children in our program will learn to become Leaders!! In fact, most children become so respectful, thankful and responsible, that they still come to the program once they reach High School to help mentor the next generation of students coming through. Imagine your teenager, wanting to give back and go mentor younger children after school instead of msn or the mall. Sound too good to be true! It's a reality at our school!!

WHAT ARE YOUR KIDS DOING AFTER SCHOOL?

(Transportation Provided)

Our After School Program is the only program of its' kind in the area and is a member of the Earl Harris Karate Academy System which is officially recognized. Why is our program the most popular in Brandon? We are not a daycare! We are not a babysitting service! Our program is first and foremost about quality Martial Arts Instruction and physical fitness. Children participating in this program do 2 hrs of Martial Arts and Fun Game activity daily!!

This program has been designed to assist parents with the tough job of giving your child the tools and skills needed to overcome their daily obstacles. Whether it be getting bullied at school, a lack of focus on schoolwork or self-confidence issues, EHKA can help your child become a self-confident leader.

We currently pick up 45-50 students at all local elementary schools in the Brandon area.

NO MORE MOM'S TAXI!!

When you pick your child up from our facility their snack, homework and lessons are already done. You get to head home and enjoy supper and quality time together. Children are picked up daily upon conclusion of their school day and transported to our facility. Snack time is given along with time for completion of their homework. The children then take part in daily activities, confidence building Martial Arts classes with an emphasis on Bully-Proofing, Respect, Focus and Discipline. Their class time is at 4:15pm until 5:15pm. If your child is new to our program, he or she will have their Martial Arts classes on Monday, Wednesday and Friday. All other higher belts will be training on Tuesday, Thursday and Friday. Parents then pick up their children upon completion of their own work day (between 5:00 & 6:00).

Students registered in this year round, inclusive, program also receive PD days, Early Dismissal days, Family classes and Regular Evening Class Memberships at no extra charge!! There is a full day camp from 7:30am to 6:00 pm on all weekdays that your children are out of school, except for statutory holidays. We are always there for your convenience, year-round, making our program the only year round, inclusive, program of its kind in Brandon.
